THE REGENERATIVE
COMMUNITY FOOD SYSTEM

WNF Compost Donor and Recipient Agreement

Waste No Food TAMPA BAY
In partnership with Tampa Bay Network to End Hunger and Waste No Food

On behalf of the Tampa Bay Network to End Hunger, thank you for joining the Creating a Regenerative Community Food System movement. By now, you have created an account in the Waste No Food app to collect or receive food scraps for compost.

I _____ (First and Last Name of applicable user) on behalf of _____ (Company, if applicable, or write 'Self') agree with the following statements:

- As a participant in this program, I will receive a set of food grade buckets with sealable lids (referred to hereinafter as "buckets").
- Buckets are to be used for only storing and receiving plant-based food scraps for compost;
- Buckets are provided on loan, for the purpose of the Creating a Regenerative Community Food System program, and are property of Tampa Bay Network to End Hunger;
- Buckets will not be used for anything other than the intended purpose of this program;
- Buckets shall not be defaced or adorned in any way, nor should they be disposed of. Loss or damage of buckets my require payment for any replacement buckets needed;
- If issues arise with my buckets, I will notify Ace Padian, Program Manager, Ace.Padian@NetworktoEndHunger.org. Issues may include, but are not limited to:
    - Increasing or decreasing the quantity of buckets at my location at any time;
    - Discontinuing my involvement with the Creating a Regenerative Community Food System program, either temporarily or permanently;
    - Reporting buckets returned in poor condition (i.e. dirty, cracked or missing parts).

Please print and sign your full name with the date if you have read and agree to the statements to be true above.
