# SPONSOR PACKET

## JOIN OUR MISSION TO END HUNGER

We invite you to join our mission to end hunger by sponsoring the **2020 Sunshine Summit to End Hunger**, presented by the Tampa Bay Network to End Hunger, in partnership with Bread for the World and Florida Impact, on, **October 29-30, 2020 on a virtual platform.**

Your support as a sponsor will enable our agency and hundreds of attendees to work toward innovative, game-changing ideas in the fight to end hunger. With one in seven people facing hunger in the United States, hunger is a local, national, and global epidemic that affects every corner of every community. Your support not only means the Network can provide its members with the latest in best practices and opportunities to work together, but also will underwrite programs that put those practices into action to make a real difference in our community.

### Participating as a sponsor will give your organization:

- *Exposure at one of the largest anti-hunger conferences in the country.*
- *Widespread recognition of the role your organization takes in helping the community.*
- *An opportunity to promote the work your organization does by attending the conference.*
- *Visibility for your organization at the conference and associated marketing materials.*

**ABOUT THE SUMMIT TO END HUNGER**

The 2020 Sunshine Summit to End Hunger is an event hosted by the Tampa Bay Network to End Hunger, in partnership with Bread for the World and Florida Impact. The two-day summit will provide current and aspiring hunger free community organizers and the broader anti-hunger community a forum to share and network while exploring best practices in solving hunger.

The goals for the conference include sharing successful strategies for collective impact, learning about practical approaches from content experts, and identifying new tools, resources, and partners for community-based hunger relief efforts.

**TAMPA BAY NETWORK TO END HUNGER**

Tampa Bay Network to End Hunger (TBNEH) is a non-profit organization with over 350+ members who come together to tackle hunger in our tri-county service area – Hillsborough, Pasco, and Pinellas. Members include academics, scientists, government agencies, churches, farms, meal providers, food banks and pantries, healthcare agencies, and more. Working together, rather than separately, makes a greater impact on the communities that TBNEH serves.

The mission of TBNEH is to end hunger by bringing people together to find solutions that eliminate barriers, increase access, and expand the amount of nutritious food available to the food insecure population. TBNEH fosters collaboration among members by holding monthly meetings, having an annual conference, and ensuring that members have the most up-to-date information and resources, including the Hunger Gap Map, which shows food supply and demand in the Network's tri-county area.

As a collective, the Network identifies and implements solutions to end hunger. Some of the Network's work team projects include DIY Garden2Go boxes that are ideal for growing food in small spaces; healthy corner stores that provide access to nutritious foods in low-income communities; partnering with food banks to collect and recycle unusable food; and ensuring kids who rely on school meals during the school year also have meals during the summer. Membership is open to all.

## PARTNERS

Bread for the World is a collective Christian voice urging our nation's decision makers to end hunger at home and abroad. By changing policies, programs, and conditions that allow hunger and poverty to persist, we provide help and opportunity at home and far beyond where we live. Bread equips people to write personal letters and emails, meet with their members of Congress, and to work with others to end hunger. Working through churches, campuses, and other organizations, we engage people in organized advocacy.

Learn more about the organization at [www.Bread.org](http://www.Bread.org).

Florida Impact's mission for the last four decades has been dedicated to securing economic justice in Florida by reducing hunger and poverty. We mobilize communities to increase access to federal food, nutrition, and other economic support programs through strategic program outreach, technical assistance and advocacy. We work to optimize these resources in the hands of community-based nonprofits serving at-risk children.

Florida Impact also has a history of successfully advocating for policy changes, including the mandate for statewide School Breakfast Programs and changes to Summer Nutrition programs to locate food sites closer to kids in need. Other advocacy and policy work successes have involved assistance to homeless families, affordable housing, food stamps for legal immigrants, transportation funding for food banks, and establishment of the food stamp hotline.
