Apply for Food & Nutrition Assistance

SNAP—Supplemental Nutrition Assistance Program

Apply online at www.myflorida.com/accessflorida or call 866-762-2237 or 850-300-4323 (TTY 1-800-955-8771). Agents are available M-F 6:00AM-7:00PM and SAT 8:00AM-12:00PM. Login or create your MyACCESS account at the link above to check your status, report changes, receive electronic notifications, or upload documents. Many requirements to apply for SNAP have been waived to help more people get immediate help paying for essentials – no in-person interviews are required.

WIC– Women, Infants, & Children

Special Supplemental Nutrition Program for Women, Infants, and Children (WIC) is a program that is designed to help low-income pregnant, postpartum, and breastfeeding women, infants, and children 5 years old or younger who are at nutritional risk. Apply for WIC by calling 727-824-6913 or 727-824-6914. Clinics will process all clients by telephone. The only transactions that will be processed in person will be direct distribution of infant formula and breast pumps. Clients that have questions can call the numbers above.

Online Shopping for SNAP Recipients

Both Walmart and Amazon offer online purchasing statewide for SNAP recipients in Florida. SNAP participants are automatically eligible to purchase groceries online with the use of an EBT card. Walmart already accepts SNAP benefits at all brick and mortar locations. Now, customers will be able to use their EBT cards and opt for curbside pick-up. Utilization of food assistance benefits remains limited to the purchasing of eligible grocery items and cannot be used to pay for delivery services. More information can be found at www.myflfamilies.com/covid19/accessPurchasingFAQs.shtml

Whole Foods: The stores are serving customers who are 60 and older one hour before opening to the general public, under their new adjusted hours posted on the store's website.
